### Carnival Sept. 30 to Raise Funds for Orange St. PTA

Launching into their first fund-raising event of the year, members of the Orange Street PTA executive board with their president Mrs. R. P. Kellogg, have made their plans for a carnival to be held at the school on Friday night, September 30.

Meeting at Torrance Park last Friday for a picnic the board

began to plan the carnival events which were further carried out in a board meeting held Tuesday of this week.

The sponsorship of a new Scout Cub Pack and the full program as outlined by Program Chairman Mrs. A. D. Scott for the entire year were other business matters discussed.

Beginning in the evening at 5 o'clock and continuing until 9 p.m. the usual booths with good things to eat, concessions and specialty events are promised by the large committee working on the carnival to assure its success.

Individual booths for the following edible items will be of interest to young and old alike: hot dogs, chili beans, spaghetti, doughnuts, popcorn, ice cream and cold drinks. There will be concessions for the 'Man of many pockets,' portrait cutter, balloons, fortune teller, flower and other booths as well as several games.

Moving pictures will be held in the auditorium continuously during the evening.

During the board meeting Mrs. Kellogg stressed the importance of attending the Children's Show being held at the Shrine Auditorium and stated that tickets may be purchased at a discount by calling her at Lomita 11547. Proceeds from the local ticket sale will be used by Tenth District PTA toward their large feeding bill for children in the public schools.
